

High Speed Craft Consultative Committee

Terms of Reference

To advise the Director of Marine on –

- (a) the implications and implementation of the International Code of Safety for High-Speed Craft adopted by the International Maritime Organization; and
- (b) the safe operation as well as the seafarers' training and certification of high-speed passenger craft engaged in non-international voyages between Hong Kong and a port outside Hong Kong.

Membership Composition

Appointed on ad-personum basis:

- 3 representatives with experience in high-speed craft (“HSC”) services operating between Hong Kong and Macau
- 2 representatives with experience in HSC services operating between Hong Kong and the Mainland
- 2 lay members

Appointed on institutional basis:

- 1 representative nominated by the Hong Kong Seamen's Union
- 1 representative nominated by the Merchant Navy Officers' Guild
- 1 representative nominated by the Amalgamated Union of Seafarers, Hong Kong
