2. To repeal Cap.369AI

At present, SOLAS Chapter III requirements regarding musters and training (e.g., Regulations III/8, III/19, and III/37) are implemented by the Merchant Shipping (Safety) (Musters and Training) Regulations. (Cap.369AI)

In order for the local legislation structure to tally with SOLAS Chapters, the Amended Cap.369AY will now cover those requirements previously regulated by Cap.369AI. This change will be achieved by using direct reference approach and adding new provisions in Cap.369AY. Consequentially, Cap.369AI will then be repealed.
