Question:

Regarding the improvement measures for typhoon shelters, please advise on:

the law enforcement actions taken by the Marine Department (MD) in the past 3 years (2021-22 to 2023-24) regarding vessels being solicited for rewards when berthing in typhoon shelters. Apart from taking law enforcement actions, does MD have any other measures to maintain the safety and order in typhoon shelters? What are the manpower and expenditure involved?

Asked by: Hon HO Chun-yin, Steven (LegCo internal reference no.: 27)

Reply:

The Hong Kong Police Force (HKPF) and the Marine Department (MD) have stepped up patrols in typhoon shelters and conducted a total of 18 joint operations to curb any illegal activities within typhoon shelters in the past 3 years (2021-2023). So far, no illegal activity of soliciting for rewards has been found. MD will continue to join hands with HKPF to monitor the situation, as well as to conduct regular patrols and joint operations to ensure the safe and orderly berthing of vessels within typhoon shelters.

The implementation of the above measures forms part of the normal duties of the staff concerned and is undertaken with existing resources. There is no separate breakdown on the manpower and expenditure involved.
