\* or from the date your Government became a Party to the relevant instrument, if that is later.

\*\* "Severe pollution" is a case of pollution which, as evaluated by the coastal State(s) affected or the flag State, as appropriate, produces a major deleterious effect upon the environment, or which would have produced such an effect without preventive action.

\*\*\* For MOUs where the number of inspection is not available, an estimated value is obtained from the statistical mean of previous 3 years' number of inspection in each of those MOUs.
